

# NEW TRUCK PRIORITY LANE ON SOUTHERN MOTORWAY (SH1)

A new **trucks only priority lane** is opening soon on the Grafton Road southbound on-ramp to the Southern Motorway. This will allow trucks to bypass the ramp signals managing the flow of traffic onto the motorway during busy times. At all other times (when the signals are switched off) trucks are to use the on-ramp lanes only.

- **When ramp signals are on:**  
*Trucks use the priority lane to the motorway.*
- **When ramp signals are off:**  
*Trucks use the on-ramp lane to the motorway only.*  
*(Priority lane reverts to an emergency stopping lane.)*

## Ramp signalling - Making travel time on Auckland's motorways more reliable

For more information visit [www.transit.govt.nz/projects/rampsignalling/](http://www.transit.govt.nz/projects/rampsignalling/) or call **09 368 2000**. Transit thanks you for your co-operation.
